

Report of the journal "Transactions" for 2016

The site of the journal Transactions of National Academy of Sciences of Azerbaijan, Series of Physical-Technical and Mathematical Sciences, Issue Mathematics (sayt-www.trans.imm.az; e-mail-transactions@imm.az) is daily updated. The published papers are placed in the site. We regularly keep close relations with the members of the editorial board of the journal by e-mail. This year two numbers of the journal have appeared, (36 (1), 2016-June and 36 (4), 2016-december). Both numbers were placed in site.

We regularly keep relations with foreign authors and try for the journal find its place in the base of Thomson Reuters, Scopus, MathSciNet.
