

## REPORT

of "International relations" department of IMM NAS of Azerbaijan  
for 2019

During the reporting period, the "International relations" Department performed its activities in accordance with scientific and scientific-organizational themes of the Institute of Mathematics and Mechanics of Azerbaijan NAS and the international relations department of the ANAS Presidium.

Within the framework of international events held by the Academy, the Department developed opportunities for establishing and developing cooperation and international relations between the scientists of the Institute and foreign research centers. During the reporting period, department provided information and advice to the Institute's staff on several grants supported by international funds.

Information was disseminated to the Institute's research staff and assistance was provided in participating in a number of international scientific conferences and seminars.

1. On January 17, 2019, the staff of the Institute took part in the presentation of the UNESCO HORIZON 2020 scholarship program.

Employees of the Institute took part in the workshop "Recommendations for writing articles in international scientific journals", organized by Clarivate Analytics (Thomson Reuters). The seminar covers a number of journals from the Web of Science list, as well as the requirements for publications, rules for scientific articles submission, selection criteria and other practical issues.

2. A staff member of the Institute participated in a workshop on "Technology transfer and promotion of commercialization of science" at the Central scientific library of ANAS together with the ANAS High Technology Park and the Korean Institute of Science and Technology Policy (STEPI).

3. In March 2019, the Institute (Department of Fluid Mechanics) prepared and submitted proposals for participation in the program announced under the operational plan for Individual Partnership (FTAP) between Azerbaijan and NATO.

4. A Memorandum of understanding was signed between the Institute of Mathematics and Mechanics and Ulyanovsk State Pedagogical University named after I.N. Ulyanov.

During the reporting period, researchers of the Institute of Mathematics and Mechanics took part in foreign conferences and symposiums, as well as were sent to a number of leading foreign research centers and universities:

1. Aliyev Soltan Ali oglu - doctor of physical and mathematical sciences, professor, 23.01.2019-05.02.2019, Egypt, participation in the international conference.

2. Panakhov Geylani Minhaj oglu - corresponding member of ANAS, head of Department, Republic of Bashkortostan, RF, 12.02.2019-17.02.2019, conducting joint scientific and technical research; People's Republic of China, Beijing, 17.03.2019-30.03.2019; with the support of the inviting party, within the framework of the joint scientific and technical agreement; Republic of Bashkortostan RF: 16.06.2019-21.06.2019, conducting joint scientific and technical research.

3. Abbasov Eldar Mehdi oglu - leading researcher, Ph. D., Beijing 17.03.2019-30.03.2019; with the support of the inviting party, within the framework of the joint scientific and technical agreement.

4. Guliyev Vagif Sabir oglu - corresponding member of ANAS, Deputy Director for research, 18.02.2019-26.02.2019; Turkey, Kutahya, conducting research; 22.04.2019-26.04.2019; Russian Federation, Rostov, participation in the international conference; 18.06.2019-21.06.2019; Turkey, Kutahya, conducting research;

5. Bandaliev Rovshan Alifaga ogly - doctor of physical and mathematical sciences, professor, 22.04.2019-26.04.2019; Russian Federation, Rostov, participation in the international conference.

6. Bilalov Bilal Telman oglu - corresponding member of ANAS, head of Department, doctor of physical and mathematical Sciences, Professor, 02.05.2018-06.05.2018, Russian Federation, Moscow, participation in the international conference dedicated to the 90th anniversary of V. Ilyinsky.

7. Zabidov Zakir Jumshud oglu - senior researcher, Russian Federation, Moscow 31.05.2019-05.06.2019. in order to establish scientific ties.

8. Babayev Ali Avaz oglu - head of department; Russian Federation, Moscow, St. Petersburg, 18.06.2019-30.06.2019. to participate in the international scientific conference.

9. Babayev Ali Avaz oglu - head of Department; Russian Federation, Novosibirsk, 19.08.2019-26.08.2019. To participate in the international scientific conference.

10. Aslanov Ramiz Mutallim oglu - senior researcher, Russian Federation, Samara, 24.09.2019-30.09.2019 to participate in the international scientific conference.

Head of Department

associate professor

Eldar Abbasov
