

Institute of Mathematics and Mechanics of ANAS

Semi-Annual Report

department of "Public Relations" for 2021

The main function of the department is to provide information about the scientific and public activities of the Institute of Mathematics and Mechanics of ANAS for both Azerbaijan and the world's scientific community, operational management of the Institute's web page, updating, collecting information, processing and complete, accurate news in three languages (Azerbaijani, English and Russian). The department also covers the activities of the scientific and auxiliary departments of the Institute, regular events that take place at the institute, business trips of scientists and their scientific works (articles, monographs, books) on the website and local media. Information about meetings of the Academic Council, scientific seminars, meetings, and scientific works of the Institute's employees are regularly placed in the "News" section of website. According to statistics, in the "News" section by month, January-59, February - 64, March - 62, April – 78, May-67, June-57 were posted (until today), in three languages.

The site contains the abstracts of 6 candidates of sciences (including 2 doctors of Sciences, 4 doctors of Philosophy) in the "Abstracts of dissertations" section. Also, the annual report of the Institute of Mathematics and Mechanics for 2020 was posted on the web page.

After hearing the semi-annual reports, starting from January: (department of Functional Analysis, Department of Mathematical Analysis, Department of Theory of Functions, Department of Differential Equations, Department of Equations of Mathematical Physics, Department of Non-harmonic analysis, Department of Theory of elasticity and plasticity, Department of Wave Dynamics, Department of Fluid and Gas Mechanics, Department of Algebra and Mathematical Logic, journal "Izvestia" of the National Academy of Sciences of Azerbaijan, issue of mathematics, series of physical, technical and mathematical sciences, journal "Proceedings" of the

Institute of Mathematics and Mechanics, journal of Azerbaijani Mathematicians, The IMM Library, Education, International Relations, the Council of Young Scientists and Specialists) were placed in 3 languages.

Information about 8 anniversaries was posted in the "Anniversaries" section of the website.

1. Academician Zahid Ismail oglu Khalilov (110 years old).
2. Senior researcher of the Department of "Mathematical Analysis" Elman Ibragimov.
3. Head of the editorial office of the journals "Izvestia of ANAS", "Proceedings of the IMM" Esmira Aliyeva.
4. Professor Ugur Abdullayev.
5. Elmira Panakhova, an employee of the Education Department.
6. Senior researcher of the Department of Equations of Mathematical Physics, Associate Professor Elchin Mammadov
7. Leading researcher of the Department of Differential Equations, Associate Professor Arzu Aliyeva.
8. Senior Researcher of the Department of Creep Theories, Associate Professor Mehriban Mammadova.

183 published articles of scientists and 44 links to abstracts, 5 books, 19 materials of conferences in 2020 were posted in the "Publications" section of the website.

The following articles were published in the newspaper "Elm" (Science):

1. January 15, issue No. 02 "Founder of the School of Functional Analysis".
2. In issue No. 04 of January 29, "The plan of events for the 100-th anniversary of Lutfi Zadeh was discussed".
3. February 05 issue No. 05 "Seminar-lesson was dedicated to the certification of ANAS employees".

4. February 26, issue No. 08 "The meeting of the Presidium of ANAS was held".

5. In issue No. 11 of March 19 "March 27 is the Day of Science in Azerbaijan".

6. In issue No. 13 of April 09, "A meeting of the Presidium of ANAS was held, an online meeting of the General Meeting of the FMTN was held".

7. May 06, issue No. 17 "Misir Mardanov: The inclusion of three journals in mathematics in the international scientometric databases is an important event in the history of ANAS".

The amount the site view of www.imm.az from January 1,2021 till the present is close to 31.319.
