

**Institute of Mathematics and Mechanics of ANAS**  
**Semi-Annual Report**  
**of the department of "Public Relations" for 2022**

The main function of the department is to provide information about the scientific and public activities of the Institute of Mathematics and Mechanics of ANAS for both Azerbaijan and the world scientific community, operational management of the Institute's web page, updating, collecting information, processing and complete, accurate news in three languages (Azerbaijani, English and Russian). The department also covers the activities of the scientific and auxiliary departments of the Institute, regular events that take place at the institute, business trips of scientists and their scientific works (articles, monographs, books) on the website and local media. Information about meetings of the Academic Council, scientific seminars, meetings, and scientific works of the Institute's employees is regularly placed on the website in the "News" section. According to statistics, in the "News" section by month, in January-**52**, February - **43**, March - **35**, April – **51**, May-**39**, June-**41** were posted (until today), in three languages. During the year, 261 news items were posted on the site.

At the same time, the website <https://mpmm.imm.az/> was created regarding the holding of the international Conference “Modern problems of Mathematics and Mechanics devoted to the 110-th jubilee of the famous scientist, winner of the Azerbaijan state award, tronoured scientists, academician Ibrahim Ibrahimov organized by the Institute of Mathematics of ANAS and Azerbaijan Pedagogical University.

During 6 months announcement about institute seminars, information about the seminars after holding them, together with photos taken ate the seminar (the taken photes were scaled to the appropriate size through the design software, date and a copyright notice is attached were added to both to the “news” and “seminars” sections of the site.

The site contains the abstracts of **13** candidates of sciences (including **5** doctors of Sciences, **8** doctors of Philosophy) in the section "Abstracts of dissertations". Also, the annual report of the Institute of Mathematics and Mechanics for 2021 was posted on the web site.

The annual report of IMM for 2021 was posted on the web site.

After hearing the semi-annual reports, starting from January: (department of Functional Analysis, Department of Mathematical Analysis, Department of Theory of Functions, Department of Differential Equations, Department of Equations of Mathematical Physics, Department of Non-harmonic analysis, Department of Theory of elasticity and plasticity, Department of Wave Dynamics, Department of Fluid and Gas Mechanics, Department of Algebra and Mathematical Logic, journal "Izvestia" of the National Academy of Sciences of Azerbaijan, issue of mathematics, series of physical, technical and mathematical sciences, journal "Proceedings" of the Institute of Mathematics and Mechanics, journal of Azerbaijani Mathematicians, The IMM Library, Education, International Relations, the Council of Young Scientists and Specialists) they were placed in 3 languages.

Information about **9** anniversaries was posted on the website in the "**Anniversaries**" section.

1. Mrs. Elmira Huseynova, head of the "Work with documents" department (55 years old).
2. Scientific secretary of the Institute of Mathematics and Mechanics, Assoc. prof. Tamilla Hasanova (70 years old).
3. Professor Ramiz Aslanov (75 years old)
4. Ibrahimova Saadet khanum (65 years old)
5. Ibrahimov Elman (55 years old)
6. Senior Researcher of the Department of "Differential Equations" of the Institute of Mathematics and Mechanics of ANAS, Professor Bahram Alien (70 years old).

7. Leading researcher of the department "Algebra and Mathematical Logic" of the Institute of Mathematics and Mechanics of ANAS Eminaga Mammadov (60 years old).
8. Senior researcher of the department "Theory of functions" of the Institute of Mathematics and Mechanics of ANAS, Assoc. Ibrahim Makharov (65 years old).
9. Researcher of "Algebra and Mathematical Logic" Aliyev Ali (75 years old).

**176** articles, **4** books, **17** conference materials, **1** patent, **2** monographs and **75** thesis links of scientists published in 2021 are placed in the "Publications" section.
