

**Annual report of "Transactions of Azerbaijan National Academy of Science, series of  
physico -technical and mathematical sciences, issue mathematics"  
for the year of 2022**

The site of the journal Transactions of Azerbaijan National Academy of Science, series of physico -technical and mathematical sciences, issue mathematics (sayt-www.trans.imm.az; e-mail-transactions@imm.az) is daily updated. The published papers are placed in the site. We regularly keep close relations with the members of the editorial board of the journal by e-mail. This year two issue of the journal (**42 (1), 2022-June**) and (**42 (4), 2022-December**) was published and placed in the site.

The journal has joined international agency as Jurnal Scopus, MathSciNet, Math-Net.Ru.

We keep close relations with foreign authirs and do works this journal to find its place in international agencies as Thomson Reuters.
