

ANNUAL REPORT

on the activity of the "International Relations" department

Institute of Mathematics and Mechanics of ARETN for 2023

During the reporting period the Department of International Relations carried out its activities in accordance with the scientific and research activities of the Institute of Mathematics and Mechanics of the Ministry of Science and Technology of the Republic of Armenia.

During the reporting period, agreements on scientific and technical co-operation were entered into between the Institute of Mathematics and Mechanics and:

1. "Panstwowa Akademia Nauk Stosowanych W Chelmie", Xelm, Poland
2. Yildiz Technical University, Ankara, Türkiyə.
3. St. Petersburg branch of the Federal State Budgetary Institution of Science of the S.I. Vavilov Institute of the History of Natural Science and Technology of the Russian Academy of Sciences.
4. University of Salerno, Italy.
5. Samarkand State University named after Sharaf Rashidov (Samarkand), Uzbekistan)
6. Samarkand branch of Tashkent University of Information Technologies named after Muhammad Al-Khwarizmi of the Republic of Uzbekistan (Samarkand), Uzbekistan).
7. Mathematical Institute named after V.I. Romanovsky, Academy of Sciences of the Republic of Uzbekistan (Tashkent, Uzbekistan)

Assistance was provided to the scientific staff of the Institute to participate in a number of international scientific programmes and competitions.

Employees of the Institute participated in the training organised by the scientific publishing house Elsevier on the topic: " Self-assessment, goal setting and long-term planning " and " Data-based decision making, capacity building for research infrastructure development " and held at ADA and UNEC Universities.

Corresponding member of the National Academy of Sciences of Azerbaijan, Professor Bilal Bilalov has on a scientific trip to Turkey - Yıldız University – May 01 – June 29, 2023.

On August 24-27, representatives of the Institute of Mathematics and Mechanics, Head of the Department of Fluid and Gas Mechanics, corresponding member of the National Academy of Sciences of Azerbaijan, Professor Geylani Panakhov and Ph.D., Associate Professor Eldar Abbasov, took part in the International Scientific and Practical Conference "Field Development Technologies and Modeling of processes in Oil and Gas Production" in Ufa, dedicated to the 95th anniversary of the birth of Academician of the Academy of Sciences of the Republic of Bashkortostan and the National Academy of Sciences of Azerbaijan Azat Mirzajanzade.

Prof. Adalat Akhundov – scientific trip, participation in the international Scientific conference in Tashkent (Uzbekistan) – September 17-22, 2023; Samarkand - September 23-29, 2023.

Prof. Soltan Aliyev - September 17-22, 2023 - Samarkand.

Prof. Ali Babaev – St. Petersburg (Russia)

Head of the Department

Ph.D., Associate Professor Eldar Abbasov
